Values

Passion

We believe in living energized by the power of the Holy Spirit and fully engaging our whole person in every thing God gives us strength to do.

Lost People/ Evangelism

We believe in passionately telling *the good news about who Christ is and* what he has done in our personal lives to people who are un-churched and de-churched using every creative and culturally relevant tool at our disposal.

Prayer

We refuse to build an altar without the fire of God falling! We will intentionally, consistently, and relentlessly seek God's counsel, direction, and power in all we join with Him to accomplish.

Kids and Youth

We recognize the importance of investing in the generations upon us and those to come. Children and youth are our most valuable resource and we will fight for the future.

Fellowship

We will pursue friendships by intentionally relating to and connecting with each other and those in our culture needing Jesus.

Worship

We seek to make Christ the object of our worship. A culture is defined by what people gather in large numbers to do; this is why regular, corporate, and private worship is a must! At Fireside we chose to focus on the "Object" of our worship not the "style". Worship is all of life, everything.

Service

We believe in every person mobilized, active within their areas of passion and giftedness, and joining with others in the common task of developing Christ-followers².
