

Wednesday 17 February 2010

Dear Fuel Cell Leaders,

The season of Lent begins with Ash Wednesday on 17 February 2010. We've invited our church family to immerse themselves in a season of prayer and fasting. You will find helpful resources on our website. You can access these tools on our Spiritual Life page or by using the quick link on the home page. On our page, you will find information and resources to assist you in helping your people make this Lent a powerful time of communion with God.

Our Fuel Cells are our best avenue for building prayer and fasting communities during Lent. Could you share this information and your own thoughts on prayer and fasting with your Fuel Cell members?

Here's an idea you may wish to implement at your next Fuel Cell meeting. During the forty days of Lent, please feel free to simplify or even eliminate the food you share during your time together, perhaps using the money saved (or taking a special collection) for our "Haiti Relief" effort.

You know your people and your group's unique dynamics better than anyone... we'll leave it up to you to discern and discover how best to introduce them to this special season of prayer and fasting.

Worship in wonder,
Pastor David

Every Man, Woman, and Child!
